

Jenewein Group

In more than 30 years, the Czech-Slovak consulting group Jenewein Group has become one of the best-known and most frequently recommended one-stop-shop companies delivering complex Strategic Leadership, Management and Public Affairs services.

Within our time-tested Strategic Leadership Services – Experience-based C-level & Board Services, Research-based Executive Search & Leadership Advisory and Background Screening Solutions practice, we specialize in finding, screening and develop strategic leaders. These are able to anticipate, dream, maintain flexibility, think strategically, and work with others to initiate changes that will create a better future for your organization. Such changes also affect senior managers, who have the skills and experience necessary to succeed, are able to define and advance corporate strategy, and simply fit in the organizational structure and corporate culture. With our Strategic Leadership Consulting, we will help you improve your results and readiness to successfully take advantage of market opportunities and challenges.

In times of ever-changing business environment, we provide innovative and tailor-made solutions focusing on business, management and human capital our clients within Management Consulting – Strategy Advisory, Management Consulting, European Affairs Consulting and Investment Advisory. One size does not fit all. Each plan is developed and implemented just for your business.

Our unrivaled Strategic Public Affairs – coalition-building, political and economic advice, legislative and regulatory monitoring, stakeholder mapping and engagement and strategic communications practice helps our clients successfully maneuver and protect their interests through political challenges and legislative opportunities regardless of the political cycles.

In order to meet the needs of our local, regional and global clients, we have established consulting companies and platforms, which operate within global partnerships and networks, and are an integrated part of Jenewein Group at the same time. Our Prague and Bratislava offices are contact points for implementation of Czech-Slovak and international projects.
